

# SCORING *HELP* SHEET

## SYMBOLS ON THE SCORE SHEET

ID – Whitehorse only player ID Number

(C) – VNA is recorded current and member must hold a VNA card.

(N/C) – VNA is recorded not current. Player must purchase SGV at the netball desk

! – Number of times a player has played in a higher section (in this case once).

!! – Player has played up in a section twice. **WARNING: !!! STAY UP.** If you borrow a player from a lower section to fill in, they can only play up twice in ANY higher section, on the **third time they remain** with the higher graded team **THIS MEANS THEY CANNOT PLAY FOR THEIR ORIGINAL TEAM AGAIN IN THAT SEASON!**

One person from each team is to sit together and score.

Check the names of players each quarter they are on the court.

Cross out any names of players **not playing this game.** (Any name that appears on the card not belonging to the team will be removed on receipt of written advice from Club Secretary to WNA Secretary).

To **QUALIFY AS A PLAYER** for the game. Tick beside the player's name as they take the court i.e. there should be 7 ticks in each quarter.

To **REGISTER NEW PLAYERS** first time they play with your team. write their name on the team list on the front of the score sheet, then on the back write all details (name, address, date of birth, & VNA or SGV number).

## To **RECORD A BORROWED PLAYER**

Write the player's name on the front of the score sheet on the team list and write their team name beside it e.g. Susie Smith (Butterflies, Insects Club).

## **HOME TEAM TO CHECK SCORE SHEET**

Teams must ensure the scorecard is complete, otherwise the team will lose points for an incorrect score sheet eg IIII = 5. Both team scorers, umpires and captains are to sign the score sheet.

Make sure your tally marks in the Home and Away team sections add up in the total column and all the quarters add up to the final score. This is the score the WNA recognises and will record.

## **INJURIES**

All injuries during the game are to be **RECORDED** and **SIGNED BY THE UMPIRE** on the back of the score sheet.

## **YOU WILL LOSE POINTS IF**

- Your side of the score sheet is incomplete or incorrect
- You fail to record the name of a new player or borrowed player on the front and provide the player's personal details on back of the score sheet
- You play an ineligible player
- Team/player is not in the correct uniform
- Player is not VNA registered
